CAMP NAWAKWA WILL OBSERVE 20TH BIRTHDAY

Camp Nawakwa completed its nineteenth year today when the Leadership training camp in session for the past week came to an end.

The closing of the Lutheran Leadership camp near Brysonia also marked completion of \$13,000 improvement program carried out during the summer. Improvements including the laying of 2,800 feet of transit sewer line, resurfacing of the camp road, installation of electric walk-in refrigeration, building of a stone council circle, installation of a turbine pump, installation of four electric automatic hot water heaters in the faculty cabins and hospital and the installation of fluorescent lighting in library, assembly hall, craft rooms and office.

20th Anniversary

At the same time the camp made plans for observance of its 20th anniversary next year with the president of the board of directors, Alvin R. Nissley, of Hanover, appointing the following committee on arrangements: the Rev. Dr. H. D. Hoover, Springs Avenue; M. E. Knouse, of Arendtsville; Miss Isabelle Hoover and Miss Luise Heckman, Carlisle; Charles Martin, York, and the Rev. George H. Berkheimer, Arendtsville.

One phase of the twentieth anniversary program is an attempt to raise \$25,000 for the completion of an extensive improvement plan. Nawakwa officials said today.

Improvements contemplated include building of a five-foot extension to each of the 25 campers' cabins to be used for the storage of clothing and toilet and lavatory facilities, installation of hot and cold showers for campers, building of an additional faculty lodge and craft room, erection of stone pillars at camp exit, building of an addition to the Upper Temple and a new swimming pool.

399 Graduates

The camp graduated 27 campers during the past season, bringing the total number of graduates to 399. There were 1,466 campers in attendance at the various camps during the summer making a total of 16,807 who attended the camp during the past 19 years. Ninety-eight campers attended the leadership camp which ended today. Those from Gettysburg who attended were John Horner and Paul Reaver.

Fraud Charged As Reds Win By Wide Margin In Hungary

Budapest, Sept. 1 (AP)—The government released incomplete figures today showing that the Communists got one out of four votes in yesterday's Parliamentary election to lead nine other parties.

The other parties—even the Communists' allies, the Social Democrats—said they managed it by fraud. Some oppositionists accused the Communists of garnering 500,000 to 1,000,000 false votes through plural balloting. Talk of civil war was heard in some villages.

A Ministry of Information statement reported that "on the day of the election, there were a few attempts to abuse in connection with the voting. The police intervened in each case and took necessary steps."

In the election, the Communists replaced the Smallholders as Hungary's leading party. The Smallhold-

ers polled 57 per cent of the 1945 vote. This year as Communist influence has grown several of their leaders have left the country. Anti-Communists have accused those remaining of trucking to the Communists.

The latest official but incomplete returns as made public by the Foreign Ministry showed this distribution of 369,446 votes:

Communists 91,808; Social Democrats, 74,041; Hungarian Independent party, 62,225; Democratic People's party, 48,424; Smallholders, 32,793; Independent Hungarian Radical party, 8,292; Citizen's Democratic party, 6,071; National Peasant party, 4,677; Christian Women's Camp, 3,423.

The full returns are not expected to be in before tomorrow.

The Gettysburg pictures were taken by Doctor Tilberg while the motion picture was produced by the Pennsylvania Department of Commerce.

The mummer's parades at Philadelphia, Valley Forge, Independence hall, Gettysburg and Fort Necessity were some of the views presented in the state department picture, along with views of fruit growing in Adams county, sports events in the state, fishing and hunting scenes and views of the Grand Canyon of Pennsylvania.

Twenty-two divorces were applied for in Adams county during 1946. A typographical error in a previous news story made it appear that only two divorces were asked during that year.

Abandoned Baby's Identity Unknown

The question of the identity of the five-weeks infant girl abandoned in an automobile on West Broadway early on the morning of August 22, was apparently no nearer a solution today.

The baby continued to gain weight at the Warner hospital, where it was taken after being found in the car of Donald M. Swope, Gettysburg attorney, in front of Swope's home.

Chief of Police Robert C. Harpster said reports received thus far in answer to queries sent out about the baby had been negative.

"There is nothing to indicate where the baby might have been born," Harpster said. "It is very unlikely that it was born in Adams county. It probably came from much farther away."

Coaches and players alike were pleased with the results of the camp and despite the hot weather and some rain, much was accomplished. The squad is in good physical condition and a fine spirit prevails among the candidates. This morning drills were resumed on the high school field.

On Friday afternoon the squad held its first scrimmage, working particularly on timing. Starting Tuesday workouts will be held following the afternoon classes.

Boy, 14, Is Strangled In Cell By Another Inmate, 17

Boonville, Mo., Sept. 1 (AP)—A 14-year-old youth was strangled in his solitary cell block last night at the state training school for boys where 68 escapes were made during August.

Louis J. Sharp, acting superintendent of the school, identified the youth as Donald Threlkeld of Hannibal, Mo., and said his assailant was Jerry Owens, 17, another inmate.

The two boys had been placed in solitary confinement in adjoining cells. Sharp said Owens dug his way into Threlkeld's cell.

"Apparently no trouble had occurred between the two boys and I know of no reason for the act," Sharp said.

School officials were attracted to the cells by the shouting of other boys in the solitary confinement ward. Threlkeld was found lying in his cell with a cloth around his neck.

Probe Escapes

A state Senate investigating committee made a surprise visit at the school yesterday, questioning officials on the escapes of 68 of the institution's 332 inmates last month.

Committee members also said they were interested in reports of mass whippings. Sharp said he knew of no such incidents since last February or March when the state training board intervened after several inmates were reportedly lined up before their fellow inmates, stripped and beaten with straps.

Last Tuesday a mass break by 39 youths was thwarted after other officers came to the aid of a guard who was attempting to put out fire started in one of the rooms by inmates.

Boonville and Cooper county authorities recently asked that something be done to restore order at the school and the Boonville League of Women Voters urged that a National Guard detachment be sent to "safeguard the lives and property of local citizens."

MOST BUSINESS PLACES CLOSED FOR LABOR DAY

Only restaurants, drug stores and soda grills were open in Gettysburg today as the town observed the Labor Day holiday, and most of these were open only for limited hours.

The post office, court house, offices and most business places were closed today. Drug stores planned to close parts of the day.

Many residents of Gettysburg took advantage of the long week-end to make their last vacation trips before the re-opening of schools on Tuesday.

Tourist Traffic Heavy

There was a heavy influx of visitors to Gettysburg today, on the heels of an unusual amount of tourist business here Sunday. Traffic was heavy in and through the town from mid-morning on, with the peak expected to be reached late this afternoon when the returning holiday traffic pours over the highways.

Borough police reported today that in spite of the exceedingly heavy traffic Sunday there were no accidents. The town was quiet over the week-end thus far, with no arrests reported by the police.

State police of the Gettysburg sub-station reported no major accidents up to noon today. Patrolling officers reported that drivers in this section of Pennsylvania at least were driving cautiously, with a few exceptions.

Load of Tomatoes Spills

One out-of-state motorist led the state police a merry chase south on the Emmitsburg road Sunday, and roared into Maryland still gaining on the police car traveling 75 miles an hour.

At New Oxford, a truck loaded with tomatoes headed for Florida overturned while driving around the square and the pavement resembled a catsup factory as hundreds of tomatoes were mashed on the highway. The New Oxford fire company cleaned off the mess with fire hoses.

Swimming pools and recreation areas enjoyed large crowds Sunday. Approximately 500 persons jammed Laurel lake, and there were even more at Fuller lake. Caledonia park also had large crowds of swimmers and picnickers were swarmed there to escape the heat.

Crowd At Littlestown

Littlestown was the mecca for hundreds of volunteer firemen and their friends today as the Adams County Firemen's association opened its annual convention in St. Aloysius hall, climaxing the event with a big parade scheduled for 4 o'clock.

Numerous pieces of fire apparatus passed through Gettysburg this morning on the way to Littlestown for the parade.

The Gettysburg Times observed Labor Day with a half-holiday today, the newspaper going to press at noon.

STATE TO GET \$5,530,154 IN FEDERAL GRANTS

Washington, Sept. 1 (AP)—Pennsylvania stands to receive more than five million dollars in federal payments and loans under five agriculture department programs this fiscal year.

If the contemplated allotments are made, the total will be about a half million dollars less than Pennsylvania received last year.

Because of the nature of a number of the programs, the figures are tentative. Depending upon events, the total might be slightly increased or decreased as the year progresses.

The 1948 fiscal year is the 12-month period which began July 1. Here are the figures for the five programs:

Rural electrification, \$1,290,600; Forest Fire Prevention, \$233,000; School Lunches, \$2,843,000; Farm Tenant, \$159,154; Production and Subsistence, \$1,004,300. These total \$5,530,154.

Last year's total was \$6,128,616.

Soil Conservation

In addition there is the soil conservation program. This is on a calendar year basis—that is, January to December. Set aside for Pennsylvania this calendar year is \$4,417,000. Last year the total was somewhere around \$5,900,000. Exact figures are not yet available because it takes some time for the bookkeeping to catch up with the reports that must be received from all the states.

The \$4,417,000 figure is tentative. That's because the program is so set up that if one state doesn't use all the funds set aside for it the extra money is allocated to a state that may need more.

The Rural Electrification program is a self-liquidating loan proposition. The money is lent to local groups, public bodies, farmers' cooperatives and others to finance the construction and operation of rural power systems.

The \$1,290,600 in REA funds for Pennsylvania in fiscal 1948 compares with \$1,434,000 last year. Last year's loans financed the stringing of 876 miles of wire. It is estimated that 3,511 consumers will receive electrical service as the result of construction still going on but which was financed with last year's loans.

Grandmother May Do Singing On Lake

Detroit, Sept. 1 (AP)—A 61-year-old grandmother, who would "rather sing than eat," may do her future early morning hymn warbling from the middle of a lake—where there are no unappreciative neighbors.

Mrs. Bertha Sinks, named in a traffic court order yesterday restraining her full-voiced song sessions before 10 a. m., announced she was going to her summer cottage where "I can sing in the wide open spaces."

"If I can't sing on land, I'll take a boat and go out on the lake and sing there," she added. "I do love to sing."

Mrs. Sinks told traffic judge John D. Watts she regularly complied with the request of a 9:15 a. m. radio hymn singer who urges his listeners to join in.

At church services, Mrs. Sinks said further, "They turn around and look at me when I sing."

But a neighbor, Mrs. Jean Karvatz, did more than turn around and look. She complained to Judge Watts, who issued the order.

Wind Saves Storage Tanks After Blast

Windsor, Ont., Sept. 1 (AP)—A brisk east wind saved from possible disaster the central section of Sandwich East Township late yesterday by blowing 50-foot flames from an exploded gas pipe away from five storage tanks containing an estimated 1,500,000 cubic feet of natural gas.

Cause of the blast was undetermined, but Windsor Gas company Superintendent L. P. Near said overpressure might have resulted in bursting the 18-inch pipe.

Intense heat melted asphalt pavements on Grand Morais and Howard streets, telephone, electric power and transmission lines for radio station CKLW, which went off the air approximately three hours.

Firemen and police quickly blocked off the blazing area and stood by while five miles of gas pipe slowly burned out.

Philadelphia, Sept. 1 (AP)—An explosion which rocked four homes in the Roxborough section of Philadelphia yesterday severely burned Alfred Nelson, Sr., 70. Firemen said the cause of the blast could not be determined immediately but added it seemed to have centered about the Nelson kitchen.

DEATH TOLL IS TEN IN STATE OVER WEEK-END

(By The Associated Press)

Pennsylvania's accidental death toll for the Labor Day week-end today stood at ten as thousands of the commonwealth's residents made their annual end-of-summer pilgrimage to mountain and seashore resorts.

Eight of those killed were listed as highway accident fatalities while two were killed in a slate rock fall near North Park, Pa.

Scores of other persons were injured in highway crashes and miscellaneous holiday mishaps.

The holiday's exodus was spurred on yesterday by some of the summer's hottest weather as Delaware River bridge officials reported a total of 66,435 vehicles crossing the span from Philadelphia to Camden, N. J., on Friday—establishing a new record for a single day—with an additional 57,506 noted on Saturday.

The New Jersey seashore resorts—the vacation mecca of eastern Pennsylvania residents—reported doing business of land office proportions with every arriving bus, train and automobile adding to the crowds on boardwalks and beaches.

Fatalities reported since the holiday began Friday evening:

Pvt. George Donagio, 22, Reading, automobile accident near Lancaster.

Mrs. Ann Mehren, 43, Baltimore, automobile accident near Liverpool.

J. Frank Davis, 40, Philadelphia, whose car hit a tree at Wayne.

Philip Koreutero, 70, Brooklyn, N. Y., struck by an automobile at Summerville.

Cecil Gipe, 10, Willow Hill, truck accident near Chambersburg.

Mrs. Mildred Ball, 41, Dormont, two-car crash at Baldwin township.

Mrs. Mary Scrima, 70, killed by a trolley car at Homewood.

Julia Fecker, 18, Sunbury, automobile accident at Sunbury.

Frank Talik, 52, and Charles R. Bishop, 65, crushed in slate rock fall.

In and out-of-state accident, Daniel J. McClary, 40, of Philadelphia, was killed by a train at Newark, N. J.

Four persons were killed in highway crashes in Delaware.

Seeking Carrier Of Polio In Delaware

Wilmington, Del., Sept. 1 (AP)—Wilmington city authorities—with 89 cases of poliomyelitis reported in Delaware this year—have turned temporarily from their aerial onslaught on the housefly to bird collecting in an effort to find the carrier of the infantile paralysis virus.

Thirty specimens of insect-eating birds have been shot and shipped in a frozen state to the Yale Medical School at New Haven, Conn., for study.

Meanwhile, city officials announced plans to continue spraying Wilmington with DDT by means of three converted army planes in a campaign to determine if the virus is being spread by flies. Two sprayings have been carried out and a third is scheduled for tomorrow but thus far no results have been announced.

Chinese Capture Port In Civil War

Tsingtao, China, Sept. 1 (AP)—The Chinese navy said today its first amphibious attack in the civil war—mounted by U. S. trained and equipped assault troops—had captured the Communist port of Shihkiu.

After seizing the port, 60 miles southwest of Tsingtao, strong forces are pushing inland and are threatening the Communist base of Jih-chao, six miles to the west, the navy asserted.

Its fall, providing another jolt to the strong Communist position in southeastern Shantung province, was predicted momentarily.

Flashes Badge And Walks Off With \$160

Pittsburgh, Sept. 1 (AP)—George Marlow, on a visit to this city from Guthrie Center, Iowa, left his bus only to be accosted by a stranger who flashed a badge and asked for his credentials.

Marlow handed the stranger his wallet and walked along the street with him. A block from the bus station, the stranger handed back the wallet, growled "your credentials are okay," and left rather hurriedly.

Marlow told police later he felt reassured—until he examined the wallet and discovered \$160 had disappeared.

Rare Chaste Tree Grows Tall, Broad

Vitex macrophylla, the Rare Chaste Tree, is one of the best summer-flowering shrubs. It displays its lavender blue flowers in showy trusses at the end of the branches. Remember that it will grow quite tall and broad in time and has no place in the crowded shrubbery border or in foundation plantings.

Ten-year-old plants easily are ten feet high and almost as broad unless they are pruned severely, but that spoils their natural beauty. It is an easy plant to grow but pot-grown specimens are the only ones sure of survival. Moving established plants is almost certain to result in disaster.

Upper Communities

The Rev. and Mrs. Henry W. Sternat and daughter, Miss Dorothy, Biglerville, have returned from a stay of several days at Ocean City, N. J. Robert Sternat, who had been employed at the resort during the summer, returned home with his parents.

Mr. and Mrs. W. P. Cole, Hagerstown, have returned home after a visit with Mrs. Cole's brother-in-law and sister, Mr. and Mrs. Charles Fidler, Biglerville R. D. Mr. and Mrs. J. M. Bair, Elmhurst, N. Y., were recent guests of the Fidlers.

Mr. and Mrs. James M. Lynch, of Chicago, Ill., arrived Sunday for a week's visit with Mr. Lynch's brother-in-law and sister, Mr. and Mrs. Warren T. Dunn, of Biglerville.

Miss Mildred Ewan, of Chambersburg, is a guest of her uncle and aunt, Mr. and Mrs. O. A. Nary, of Biglerville.

Mrs. Dale F. Lawver and daughter, Shirley, and sons, Donald and Richard, of Biglerville, and Jimmy Barker, of Leesburg, Va., have returned from a week's vacation spent at Geneva-on-the-lake, Ohio.

The meeting of the Biglerville Intermediate Girl Scouts planned for this evening has been postponed until next Monday evening.

The meeting of the Women's Missionary society of Trinity Lutheran church, Arendtsville, scheduled for Wednesday evening, has been postponed for one week.

Due to a teachers' meeting which will be held this evening at Biglerville there will be no meeting of the Biglerville Boy Scouts.

The Pathfinder class of St. Paul's Lutheran Sunday school, Biglerville, will meet Tuesday evening in the church basement with Mrs. Charles Fidler and Mrs. Walter Howe as hostesses.

Urges Veterans To Keep "Leave" Bonds

Washington, Sept. 1 (AP)—Widespread cashing of terminal leave bonds by veterans will result in higher prices, says Senator Francis J. Myers (D-Pa.).

"I think all veterans who now possess these bonds and who do not absolutely need the cash should hold on to them as long as possible as a means of combating inflation and at the same time obtain for themselves the extra amounts they will receive as interest."

Myers said he plans to push for enactment by the next Congressional session his bill to increase the interest rate on terminal leave bonds from 2½ to 6 per cent.

Most Of Nation Has Clear Holiday Skies

Chicago, Sept. 1 (AP)—Clear skies and moderate to quite warm temperatures prevailed over most of the country today as the nation observed Labor Day.

The U. S. Weather Bureau in Chicago said the only exceptions to the pleasant weather were the upper Mississippi Valley and western Great Lakes regions, where thunderstorms were threatening to dampen holiday festivities.

Temperatures throughout the northern half of the nation were expected to remain near normal throughout the day with "quite warm" weather expected in the south.

Martin Carroll To Head Eastern Moose

Reading, Pa., Sept. 1 (AP)—Martin Carroll, Willow Grove, Pa., has been named president of the Eastern division, Pennsylvania Moose association, at the organization's annual convention. He succeeds Francis Hardner of Allentown.

Other officers elected and installed at the final session yesterday were: John Stausser, Shamokin, first vice president; Melvin Hoy, Lock Haven, second vice president; Charles Mondak, Hamburg, third vice president; Seth Eshelman, Sellersville, prelate, and Harry Haelele, Philadelphia, servant-at-arms. Ellis Keller, of Lebanon, was re-named secretary-treasurer.

Delegates also chose Philadelphia as the 1948 convention site. Lancaster had bid for the meeting.

DRIVER ESCAPES

Charles S. Stiffler, 23, East Berlin, escaped injury when the car he was operating on the Susquehanna trail left the highway about two and one-half miles south of York, struck a bridge culvert and upset on its right side Saturday. The automobile, which was proceeding northward on the trail, was damaged to the amount of \$350.

State Of Siege Is Clamped On Ecuador

Quito, Ecuador, Sept. 1 (AP)—The week-old government of Col. Carlos Mancheno clamped a state of siege on all of Ecuador last night as troops and tanks acquired through U. S. lend-lease sped to two cities of the republic to put down a revolt of army and constabulary officers.

The state of siege prohibits publication or radio broadcast of news concerning the revolt.

The army rebelled Saturday night against Col. Mancheno—who came to power in the bloodless one-shot revolt August 24 in which President Jose Maria Velasco Ibarra was ousted—in Riobamba, 100 miles south of Quito, and in Guaranda, 20 miles west of Riobamba.

(A dispatch from Guayaquil said the rebellion had spread to that city, where intermittent gunfire was said to have been heard Sunday. Army tanks occupied the city's Central Plaza, the dispatch said, and troops were shouting "down with Mancheno.")

911,119 ON U.S. PAYROLLS

Washington, Sept. 1 (AP)—Rep. Rees, (R-Kas.), termed it "incredible" today that federal payrolls should contain 911,119 temporary and war service employees nearly two years after war's end.

The chairman of the House civil service committee said that despite a 15 per cent cut in appropriations for the fiscal year which began in July, the number of civilian government workers dropped "less than two per cent" from June.

The number in July, Rees added, was 2,088,980, compared with 2,129,566 in June and the war time peak of 3,770,000 in June, 1945.

The Kansas's statement described as "poor management" the "not substantial" June-to-July drop in federal employment, adding:

"It is apparent the agencies are relying upon their past success in securing huge deficiency appropriations later in the fiscal year. The fallacy of this procedure will be demonstrated when the deficiency requests are made."

(Deficiency appropriations are those made late in the fiscal year to cover expenses above those provided for in regular appropriation bills. Except in a few instances, the Republican-dominated 80th Congress cautioned government agencies against running over the amounts allotted them.)

Saying that the number of war service and temporary employees still holding jobs represent 44 per cent of the total, Rees declared "the executive branch is making little progress toward the reduction of the war time federal payroll."

The couple left on a week's wedding trip through the New England states and Canada and upon their return will reside at the home of the bride's parents.

The bride's going-away costume was a navy blue suit with red accessories and orchid corsage.

Boils Down Mayor's Long Proclamation

New Orleans, Sept. 1 (AP)—The city of New Orleans proclaimed Labor Day in double talk, to save space.

Banners flapping from wires over business district streets today read: "Whereas, it is a fact that I troid tknw of blacpsidnt cmatsredn onto eracrfrean."

"Therefore: I, De Lesseps Morrison, mayor of the city of New Orleans, do hereby proclaim Monday, September 1st, Labor Day in New Orleans."

Miss Betty Finnin, city decorator, explained: "If the entire proclamation was lettered on the banner it would require one about 14 feet long. So we just began in the usual manner of proclamations and then took off into nothing to fill up space. Anyhow, the point of the proclamation is taken care of in the second paragraph."

GOING TO EUROPE

Philadelphia, Sept. 1 (AP)—Rev. Martin O. Dietrich will sail from New York on Wednesday to assist Lutheran churches and officials in Germany, Austria, Holland and France. The clergyman's wife and four children will live in Geneva while he is on a roving assignment. He is a brother of the Rev. Gerhard Dietrich, of Steelton, Pa.

Young Driver Is Killed In Car Race

Altamont, N. Y., Sept. 1 (AP)—A 36-year-old Bethlehem, Pa., driver was killed during the 10-mile auto race at the Altamont fair grounds.

The Pennsylvania, Jack Pickler, was pinned under his car Saturday after it hurtled over a fence on a turn during the 18th lap of the 20-lap event. He was pronounced dead at a hospital.

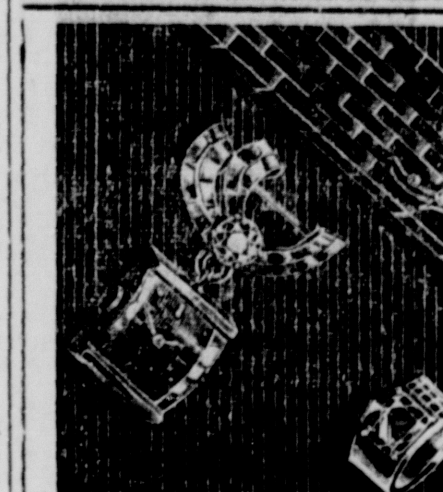

EXPECT RECORD AT AIR RACES

Cleveland, Sept. 1 (AP)—Speed fans looked for a new closed course record at the National Air races today in the twelfth running of the Thompson Trophy classic, premier event of Pylon contests.

The present mark of 334.6 miles an hour was set by Steve Beville of Hammond, Ind., yesterday in winning the Kendall trophy, a special event for P-51 Mustangs. He hopes to better it in the \$40,000 Thompson race at 300 miles around the 15-mile rectangular course.

Speculation on the prospect of a new Thompson mark to replace last year's 373 miles an hour winning pace had plenty of support.

Beville, for example, placed only ninth among qualifiers for the Thompson, averaging 366.8 m.p.h.

VANDERGRIFT IS LEAGUE WINNER

(By The Associated Press.)
The Middle Atlantic Baseball league winds up its season today but about the only thing decided is that Vandergrift has won the pennant and is assured of a place in the Shuganess playoffs beginning Wednesday.

The four top teams will play a round-robin series for the governor's cup. Vandergrift meets the No. 3 team in a five game series while a similar series is played between the No. 2 and No. 4 teams.

However, as the result of week-end activity the No. 2 team will not be definitely decided until after today's games and the same situation holds true for the No. 4 team.

Erie broke even in a twin bill yesterday (Sunday) with Oil City, taking the first game 4-1 and losing the second 5-4. Meanwhile, Vandergrift was losing to Johnstown 14-10 in a single game; Youngstown and Niagara Falls were breaking even while Butler and Uniontown were doing the same thing.

Ties and Beaten
Youngstown lapped Niagara Falls 9-2 in a seven inning opener, then held the New York State nine to a 4-4 tie in a 12-inning nightcap that was halted by the league's midnight (EST) curfew.

Ray Faust pitched Butler to a 7-4 win over Uniontown in the first game, allowing only four hits, but Uniontown took the second game 4-1.

Niagara Falls has only a half-game edge over Erie. While both teams are assured of getting into the playoffs, it's a difference matter as far as the fourth position is concerned. Butler, with an even .500 percentage holds a one-game edge over Oil City going into today's final games.

On Saturday Butler defeated Vandergrift 9-8. Oil City kept in the race by tripping Youngstown 2-1. Erie walloped Niagara Falls 10-0 and Uniontown beat Johnstown 14-11.

On the evening of the 1st ult., by the Rev. Dr. Roberts, Mr. Samuel Bushman, formerly of Gettysburg, to Ann Elizabeth Salisbury, of Baltimore.

From California: Gen. Kearney, late Governor of California, arrived recently at St. Louis. He left California on the 18th of June, at which time every thing was quiet. Col. Mason was left in command. A large fleet was off the coast. Col. Fremont, being under arrest, and ordered home for trial, has also arrived at Fort Leavenworth. Nothing has transpired as to the nature of the charges against Col. Fremont.

James Parry, Surgeon Dentist, will be at Mr. J. A. Thompson's, Gettysburg from the 13th to the 25th of September.

The Way the Money Goes: It is estimated that the losses by plunder of the United States trains in Mexico, amount to five millions of dollars!

SEVENTY-FIVE YEARS AGO
The Balloon Ascension: The announcement of the proposed balloon ascension in this place by Mr. John H. Roth, attracted quite a large crowd on Saturday. The process of inflating the balloon proceeded satisfactorily, and everything gave promise of a successful ascension. A strong west breeze prevailed all day, and a number of Mr. Roth's friends were apprehensive of trouble. Between three and four o'clock, Mr. Roth stepped into the mammoth balloon, but it proved unmanageable under the high wind, which caused it to drift to the southeast corner of the diamond in spite of the efforts of parties holding the ropes. Coming in contact with the Gas Lamp Post, the balloon was rent from top to bottom. The gas at once escaped and the balloon collapsed. Probably no one was more disappointed at the failure than Mr. Roth, who exhibited a good deal of pluck and coolness throughout.

Horse Stolen.—A young sorrel mare was stolen from Mr. Henry Lott, in Cumberland township, on the night of the 15th ult. The animal was taken from a pasture field.

Died.—Miss Forney, who was so severely burned by the imprudent use of coal oil in kindling a fire at W. Ross White's in Liberty township, a few weeks ago, died on Saturday, the 24th ult.

Married.—Daugherty—Pfeffer.—On the 29th ult., by Rev. W. S. Heindel, Mr. Jacob F. Daugherty, of Highland township, to Miss Mary E. Pfeffer, of Cumberland township.

Menagerie and Circus.—The Grand Central Park Menagerie and Den. Stone's Circus will visit Gettysburg on Thursday, the 12th inst. This combination is spoken of by our exchanges as possessing genuine merit and worthy of patronage. It carries some 25 cages of living animals, some of them exceedingly rare, and all fine specimens of the animal kingdom.

The circus will also give two exhibitions at Berlin on Wednesday, September 11.

Just Folks
The Poet of the People
By EDGAR A. GUEST
LABOR DAY
I never see a temple spire
Or level road or cottage small
Or smoke that comes from foundry
fire
But what I think behind them all,
With willing heart and skillful
hands,
With faithfulness, some worker
stands.
I never see a jeweled ring
Or string of pearls or costly dress
Or brooch or pin or anything
The women of the rich possess,
But what I see the workers fit
Who first designed and fashioned it.
I know there's nothing that I wear
Or need or use from day to day,
My dwelling and the treasures there
But someone's work is on display.
I read a book and through the lines
The genius of a worker shines.
I write this bit for Labor Day,
Which is for toilers set apart.
Though feeble seems the praise I
pay,
'Tis offered from a grateful heart.
May love and laughter, rest and play
Make this a happy holiday.

Today's Talk
THE FLOWERS OF THE FIELD
Wonder haunts us—certainly those of us who are born sensitive to the sight of natural beauty, or to the touch of fragrance to our nostrils. We keep questioning the unknowable and receive nothing in reply. Why the flowers of the field? Why the white water lily that springs into the sunshine from mud and stagnancy?
How appropriate that a field of daffodils should become the memorial to William Wordsworth, the poet, who loved them so. Emerson, in writing of Thoreau, said that he could almost name the day of the month, without a calendar, just from the appearance of certain flowers, slated to appear at that time!
The discovery of each flower thrills me and I am not satisfied until I learn its name. Nearly every summer, at Wescakawana, I discover a new variety and it's always like meeting a new and welcomed friend. Flowers express so much. I have never seen a smile upon a human face more open, expressive, and so full of divine invitation, as that which faces me as I write. It is from a white water lily, beaming its purity and gold right into my heart.
The miracle of creation is ever upon us. Our very oneness with all life and all nature is forever evident. Each breath of wind is a caress from the Almighty. Said Mary Webb: "The story of any flower is not one of stillness, but of faint gradations of movement that we cannot see. The widening and lengthening of petals, the furling and unfurling of leaves, are too gentle for our uneducated eyes."
Look upon the bedtime hour of a flower and you will view the same delightful drowsiness that we all experience, after a day of joy and work. It, too, wishes a period of rest before its final sleep. The cheer of the flowers of the field, and the fragrance of earth, are a combination that outlives all remedies for sick souls!
I have loved Texas doubly since first viewing a field of its beautiful blue-bonnets! Like a silken garment waving its delicate color across the landscape in an ecstasy of joy. The smell of a single flower has often healed many a hidden hurt!

Tomorrow Mr. Adams will talk on the subject: "Born to Be Heroic!"

Promenading.—These balmy Summer evenings our streets are crowded with pretty girls, whose merry clatter and rippling laughter float on the still air, reminding our "devil" of the poet's words:
"Oft in the still night, ere slumber's chains have bound her,
Oh, then, with what delight, I put my arms around her."

Camp Meeting.—The Camp Meeting held under the auspices of the Wesleyan Zion church of this place, closed on Tuesday evening being well attended. The crowd on last Sunday was estimated at 2,500.

The Republican County Committee for the ensuing year has been appointed by order of the convention. Edw. G. Fahnstock is chairman and Jno. M. Krauth, Sec'y of the committee.

The committee members from Gettysburg are J. M. Krauth, E. G. Fahnstock, Edw. McPherson, A. J. Cover, D. McDonough, D. Willis, D. A. Buehler, John Pickering.

BROOKLYN RUNS WINNING STREAK TO FOUR GAMES

By BOB GRUBB
(AP Sports Writer)
The Brooklyn Dodgers and the St. Louis Cardinals embarked on the final month of the National league pennant chase today with the Brooks hanging on to their seven and one-half game edge over the 1946 world champions.
Including today's holiday twin bills, the Dodgers have 24 games to play, the Cardinals 27. So now the "magic number" is 19, which means any combination of Brooklyn wins and St. Louis losses totaling that number would see the Cards eliminated—by one game.

And, as of today, the Dodgers possess five walllopers in the magic circle above the 300 mark, led by Pistol Pete Reiser with a healthy 315, Dixie Walker, Carl Furillo, Jackie Robinson and Bruce Edwards.

The Dodgers ran their latest winning streak to four when they flogged the New York Giants 10-4 yesterday to make a clean sweep of the three-game Ebbets field series, while out in Cincinnati the Cardinals kept pace by mauling the Reds 15-8.

Braves and Phils Split
Meanwhile, the Boston Braves fell 8½ games behind the league leaders by splitting a doubleheader with the Phils at Philadelphia, winning the opener 3-2 and dropping the nightcap 7-2. At Chicago, the Cubs beat the Pittsburgh Pirates 6-3.

The New York Yankees headed down the home stretch by doubling up on Washington 6-5 and 5-1 to increase their American league lead to 12½ games over the runner-up Boston Red Sox and to 14½ over the Detroit Tigers. With a month to go, the Yanks need only to win 16 games to clinch the flag.

At Chicago the Cubs rapped out five consecutive singles in the sixth to clinch a 6-3 triumph over Pittsburgh. Ralph Kiner hit his 39th homer with one aboard to drive in his 100th and 101st runs.

Ted Williams belted home run No. 27, good for two runs, to place Boston to a 5-1 victory over Philadelphia.

The Chicago White Sox won the first game, 7-3, from the Indians at Cleveland and the veteran Red Ruffing (3-2) scored his 273rd major league triumph a 3-1 decision, in the nightcap.

Hal Newhouse, returned to the mound for the first time since he was fined \$250 for "indifference," made his record 14 and 15 in capturing Detroit's opener against the Browns 11-2 at St. Louis, where only 4,943 sat in on a twin bill. The Tigers had an easy time taking the nightcap 10-1.

Don McSherry's single to right in the last half of the tenth inning to score Bud Knox who had previously doubled, gave Gettysburg a 4-3 victory over New Oxford in an important Adams County Baseball league game Sunday afternoon at New Oxford.

The game had been postponed and transferred to New Oxford due to wet grounds here on Saturday.

The defeat left New Oxford on top in the second half standing but by a half game, Orrtanna and Arendtsville being idle due to wet grounds at Arendtsville.

The contest at New Oxford resulted in an excellent pitching duel between Knox and Bevenour.

Gettysburg tabbed a run in the first frame when Hankey led off with a single, went to second on Rohrbaugh's sacrifice and tallied when an error was committed on Bud Knox's grounder.

Deadlock Score
New Oxford tied the score in the sixth on a hit by Carbaugh, a fielder's choice, and singles by Bevenour and Wagner.

In the top half of the eighth New Oxford pushed over two runs on a single by Carbaugh, an error, and hits by Wagner and Wolf.

Gettysburg tallied its second run in the last of the same frame on a double by Hankey and Rohrbaugh's single to right.

The locals tied the count in the last of the ninth. McSherry and Johnson singled and an error ended the game.

CASHTOWN NIPS BONNEAUVILLE IN OPENER 5-3

Cashtown got off to a good start in its best out of three games series with Bonneauville for the championship of the South Penn Baseball league by winning the opener 5-3 Sunday afternoon at Bonneauville before a large crowd.

Although out hit 10-7, Cashtown made use of three Bonneauville errors in the first inning to tab three runs and led the remainder of the game.

A pair of singles and trio of miscues gave Cashtown its runs in the first half of the opening inning. Bonneauville came right back with a run in its half on singles by Sneringer and Eck.

In the fourth inning Cashtown picked up another run on a double by D. Bream and single by D. Bueher.

Five singles by Eck, Claybaugh, J. Chrismer, Hawn and E. Chrismer produced a pair of tallies for Bonneauville in the fourth and threatened to drive Kump from the mound. However, the youngster recovered nicely and blanked his opponents the remainder of the way.

In the ninth Cashtown added its final run on an error, a single by W. Bucher and a fielder's choice.

Next Sunday afternoon at 2 o'clock the team will meet in the second games of the series at Cashtown.

Eagles Are Heavy With End Talent

Saranac Lake, N. Y., Sept. 1 (AP)—The Philadelphia Eagles are so strong in end talent that there's a possibility the National Football league team's 1946 pass snarers may sit out the season's opening kickoff.
Coach Greasy Neale has indicated he particularly likes the work of Rockies Neil Armstrong, leading college pass receiver last year while with Oklahoma A. and M. and Pete Pihos, former Indiana star.
Those two, Neale said, may start for the Eagles in place of Captain Larry Cabrelli and "Blackjack" Ferrante.

abled Stonesifer to reach base to lead the sacks with none out. McCauslin popped out. Anzenberger bounced to Bevenour who nipped McSherry at home. Anzenberger beat the relay to first base for an attempted double play as Johnson streaked over with the tying run.

Knox and McSherry then teamed up to clinch the game in the 10th.

Littlestown Wins
Littlestown pounded out 18 hits to crush McSherrystown in a one-sided affair at McSherrystown. Maitland and Schwartz each rapped out four safeties for the winners. Schwartz handeuffed the McSherrystown team with but five hits, including a homerun by Felix.

Wayne McGlaughlin hurled a steady game to give Fairfield a 6-1 decision over Hanover on the latter's field. The game was transferred to Hanover because of wet grounds at Fairfield.

Emmitsburg and Bendersville were unable to play at Bendersville due to wet grounds.

Forest Hills, N. Y., Sept. 1 (AP)—Davis cup tennis teams of the United States and Australia came down to the wire today, battling in the last two singles matches of the 1947 challenge round, with the issue still officially in doubt.

Unofficially, however, there were few, if any, who gave the courageous Aussies the slightest chance of duplicating their feat of 1939, when they came off the floor to win a 3-2 decision at Philadelphia after dropping the first two singles tests.

John Bromwich, one of the heroes of the 1939 comeback, and Colin Long, a newcomer to Davis cup competition, kept Australia's slim hopes alive yesterday when they stopped Jack Kramer and Ted Schroeder, 6-4, 2-6, 6-2, 6-4, in the only doubles contest of the series.

This turn of events, unexpected in some quarters, prevented a 5-0 rout such as the Aussies suffered at the hands of Kramer, Schroeder and Gardner Mulloy at Melbourne last year and set the stage for a repeat performance of the 1939 rally.

The first crack at the clincher today falls to Schroeder, who tangles with Dimmy Pals, the Australian champion, in the initial singles match at 2:15 p. m. (E.D.T.)

Sports Roundup

By HUGH FULLERTON, Jr.
Forest Hills, N. Y., Sept. 1 (AP)—After watching Jack Kramer and Ted Schroeder wrap up the Davis cup in a neat package to be returned to the safe—don't let that doubles result fool you about the outcome of the series—Fred Perry joined the discussion of just where Kramer belongs in the all-time tennis rankings. The British-born professional should know something about it since he has played most of the good ones, but he wouldn't make it definite. How good is Kramer? "I don't know; I don't think anybody knows," Perry commented. "He's a great player, by far the best of those row playing, but look at his record. He has won at Wimbledon once and the United States championship once. We could find several players who have won those titles once and whose names we don't even remember." Fred finally fell back on Bobby Riggs for the clinching comment: "We were watching Jack practice the other day when someone said, 'He makes some wonderful shots.' Bobby said, 'Sure, but how would he look if he had to make 50 of them to win a point?' Kramer just hasn't had enough competition to prove his greatness."

THEY GOT THE CHILL
Two of the principal sufferers from the August heat wave in the Midwest were Mr. and Mrs. Fred L. Mandel, Jr. When these owners of the Detroit Lions arrived at the Club's Alma, Mich., camp during the hot spell they found the house they had leased for the training period not only had its windows nailed down, but still was completely equipped with storm windows.

Welterweight Charley (Young) Zivic will fight hereafter under his real name, Charley Affit. And a Jerry Jones, who has just taken a hand in the Syrian boxer's management, adds: "I hope they don't accent the last syllable." Hank Crisp is beginning his 21st season in the southeastern conference as assistant to Henry Frka at Tulane and its Crisp's first away from athletic director for two decades. Alabama where he was coach and Tulane's first opponent will be Alabama's crimson tide.

PIRATE TRAINER DIES
Pittsburgh, Sept. 1 (AP)—George (Chauff) Aston, 60, an assistant trainer for the National Baseball league's Pittsburgh Pirates for 36 years, died last night at his home after a long illness. Aston, who left the club last year, joined the Pirates in 1910. From then until 1946—except in 1919 when he served in the first World War—he was in charge of the clubhouse.

Hanover Defeats Littlestown 5-3

Hanover defeated Littlestown 5-3 in a Penn-Maryland league game played Sunday afternoon at Littlestown.
Each team collected eight hits but Hanover made better use of their blows and secured three runs in the third and a pair in the eighth to win. Smith homered for Littlestown and Rohrbaugh hit for the circuit for Hanover.

The tobacco heiress, now a fashion correspondent here for Harpers Bazaar, formerly was married to James H. R. Cromwell, one time U. S. Minister to Canada. VFW Sends Letter To Labor Leaders

Harrisburg, Sept. 1 (AP)—The state headquarters of the Veterans of Foreign Wars made public today a letter written by Frank C. Hilton, state commander, to heads of two Pennsylvania labor organizations, extending the "best wishes" of the department on the occasion of Labor Day.

The letter was addressed to Harry Boyer, president of the Pennsylvania Industrial union council and James L. McDevitt, president of the Pennsylvania federation of labor.

Hold Proprietor Of Burned Paris Theater

Paris, Sept. 1 (AP)—The proprietor of the select theater at Ruel, scene of a disastrous fire Saturday night in which 87 persons died and 64 were injured, was held on charges of involuntary manslaughter today.

The examining magistrate, similar to a one-man grand jury in the United States, said the proprietor, Antoine Mouillade, had been negligent in taking proper precautions. Many of the injured were reported in serious condition.

Police said a short circuited wire in the second balcony started the blaze, which spread as swiftly as the panic which sent patrons rushing toward the narrow exit.

TWO PA. PILOTS SET FAST TIME

Cleveland, Sept. 1 (AP)—Two Pennsylvania pilots exceeded 470 miles per hour here yesterday during a special race for Army Air Forces jet planes at the National Air Races.

Capt. Edward L. Bishop of New Cumberland, Pa., was clocked at 480.4 miles per hour for the 520-mile round trip to Indianapolis, and 1st Lt. George W. LaRose of Easton made the trip at an average speed of 471.5 miles per hour. Bishop was second, behind Capt. Richard H. Bur-nor, Monterey, Calif., who flew the distance in one hour, three minutes and four seconds for a 494.279 average. LaRose placed fifth.

UN Assembly Fight Looms On Palestine

Lake Success, N. Y., Sept. 1 (AP)—A light in the United Nations General Assembly loomed today over a committee plan to divide Palestine into Arab and Jewish states and admit 150,000 Jewish immigrants in the next two years.

The 11-nation U. N. special committee on Palestine last night unanimously recommended Holy Land independence from Britain's 25-year-old mandate "at the earliest practicable date."

A seven-member majority urged partition of Palestine into Arab and Jewish nations and an international city of Jerusalem and admission of 50,000 Jews into the Jewish territory during the two-year transition period.

The three-member minority called for a Federal Arab-Jewish state and entry of Jews up to the "absorptive capacity" of the Jewish portion during a transition period of up to three years.

The National Safety Council had predicted a total motor accident toll of 250 for the long week-end.

The air age was reflected in the figure of 39 miscellaneous accidents—11 of the deaths occurred in small plane crashes.

Michigan, home state of the automobile industry, led the nation in number of automobile accident deaths with 16. Texas followed with 14 fatalities and California and New York with 11. Pennsylvania had eight.

LEADS PA. CONTINGENT

New York, Sept. 1 (AP)—Paul Griffith, of Uniontown, Pa., who retired yesterday as national commander of the American Legion, left the reviewing stand to march part of the route of the Legion's convention parade here at the head of the Pennsylvania contingent, one of the largest in the line of march. It took the Keystone states two hours to pass the reviewing stand on Saturday.

Asked about his plans, Tilden said his future "remains with the American public," indicating he would like to resume his professional tennis career. Friends were waiting for him when he was released at the county jail and drove him away.

RIO READY TO GREET TRUMAN

Rio De Janeiro, Sept. 1 (AP)—Rio De Janeiro planned a big welcome today for President Truman, who is due to arrive here at about noon (EST) for a week-long visit during which he will address the closing session of the Inter-American hemisphere defense conference at Quitandinha.

There was business as usual this morning, but employees were promised they could leave at noon to witness the U. S. President's arrival in his big plane, the Independence. The plane is too large for the municipal Santos Dumont airport and will land at the military airfield of Ponta Do Galeao across Guanabara bay.

The President will come across the bay by yacht and be greeted at the dock by Brazil's President Eurico Gaspar Dutra and an official reception party. From the dock, the two Presidents, with their wives, will travel through streets lined with 20,000 Brazilian soldiers to the U. S. embassy where President Truman will take up residence until Friday, after which he will move to La Rangelas palace, the residence for dignitaries visiting Brazil.

Tonight President Truman will pay an official visit to President Dutra at Catepe palace. That was the only official item on today's calendar.

Colonel Chastaine said the War Department had been requested to establish units at each of the colleges where Penn State freshmen would be enrolled, but that limited personnel had made only establishment of six possible.

They are California, East Stroudsburg, Kutztown and Mansfield State Teachers' colleges, the undergraduate center of the Pennsylvania State college at Altoona, and the Mont Alto branch of the Pennsylvania State Forest School in Franklin county.

'Big Bill' Tilden Free On Probation

Los Angeles, Sept. 1 (AP)—William T. Tilden, the graying tennis ace, was free today after spending 7 1/2 months in the county jail on a charge of contributing to the delinquency of a minor.

Big Bill, the 54-year-old former world net champion, was released yesterday and told reporters: "I served my time at the county farm. I worked hard, got plenty of fresh air and had wholesome and adequate food."

Tilden was arrested by Beverly Hills police last November 23. He pleaded guilty to contributing to the delinquency of a junior high school boy. He was sentenced to a year in jail but this sentence was suspended and he was placed on probation for five years, with the first nine months to be spent in custody. Customary time off for good behavior shortened the sentence.

Asked about his plans, Tilden said his future "remains with the American public," indicating he would like to resume his professional tennis career. Friends were waiting for him when he was released at the county jail and drove him away.

Lightning Starts Spectacular Fire

New Castle, Pa., Sept. 1 (AP)—A spectacular fire, touched off by a bolt of lightning, gutted a three-story wholesale grocery Saturday night and caused damage which the management estimated at \$400,000.

Firemen fought the flames more than six hours as thousands of persons watched. Although the building occupied by the Creasey Wholesale Grocery company was hit by lightning, the flames did not break out for several hours.

Exploding cans of foodstuffs and cooking oils made the fire difficult to bring under control.

The damage estimate was made by Ralph Peterson of Louisville, Ky., manager of the grocery, which is part of a national chain.

ROTC SET UP AT COLLEGES

State College, Pa., Sept. 1 (AP)—Six Pennsylvania colleges will establish units of the Reserve Officers' Training Corps this fall under War Department supervision.

Col. Benjamin H. Chastaine, professor of military science and tactics at the Pennsylvania State college, said the institutions are among the 24 schools in Pennsylvania where Penn State freshmen will be enrolled this fall.

Colonel Chastaine said the War Department had been requested to establish units at each of the colleges where Penn State freshmen would be enrolled, but that limited personnel had made only establishment of six possible.
